

**Teach Kids to Care**

Helping stray, abused, and abandoned animals in our community is our number-one goal. But rescuing, sheltering, and adopting animals isn't enough. We also need to teach our youngest citizens the basics of responsible pet care and the value of treating people and animals with kindness and respect. That's why your support for our Adopt-a-Classroom program is so vital.

For each \$25 tax-deductible contribution you make to our Adopt-a-Classroom program, you'll provide an entire elementary-school class with *KIND News*, an award-winning classroom newspaper that teaches children to be kind to people, animals, and the environment.

A subscription to *KIND News* includes 5 bi-monthly issues, September through May. Each subscription includes 28 copies of the newspaper and a teacher's guide.

Please help us teach our children to care by adopting one or more classrooms today!
